March Pack Meeting Easter Basket Drive

We will be creating Easter baskets to donate to the Ronald McDonald House at the March Pack Meeting on the 17th.

We are asking that each family donate items and bring them to the March meeting.

We would like to make 20 to 30 baskets. **Please note: Everything needs to be NEW, all candy has to have a wrapper on it.** The Pack will provide the grass and the baskets.

Here is a list of suggested items to donate: puzzles, playing cards, assorted wrapped candies, books, markers, crayons, colored pencils, car games, word puzzles, and anything else you can think of.... Please avoid any smaller items that could be considered a choking hazard.

Scouting for Food Drop off March 12

Pick up and Sort March 19th

During the month of March the Pack will be collecting food for the Sussex Food Pantry. Each den will be assigned a neighborhood to collect food in.

On Saturday, March 12th, the boys will drop off bags at each house. Then on Saturday, March 19th, the boys will return to the houses to pick-up the bags, sort the food and then transport the food to the Sussex Food Pantry.

Your Den Leaders will let you know of the time for bag drop-off and pick-up, once they have been informed of their assigned neighborhood. Keep these dates open on your calendar. The more help you have from each den - the quicker the job can be done!

Summer Camp Opportunities

Camping is a scouting tradition and if your scout has attended any camps in the past you know what a great experience it can be. Camps offer a variety of programs that reinforce the core values of scouting. They also challenge the boys mentally and physically in a fun safe environment. Camps offer incredible programs to spur your Scouts imagination and help him earn achievements towards their rank.

While at camp Cub Scouts may participate in archery, field sports, nature, swimming, arts and crafts, scout skills and a variety of other activities. It's a great way to see what Boy Scouts is like as all camps are run by local troops.

Flyers will be added to the website on the Newsletters & Activities page over the next two weeks. See your den leaders for more information about camp opportunities this summer. Here are a few offered by our local council for you to consider. The flyer has also been attached to this newsletter
